Anyone can visit us. The Sanctuary grounds are open to the general public seven days a week between 10am and 4pm. You can make the most of your stay by bringing a picnic or by walking through the beautiful gardens.

Are you seeking a speaker for one of your group sessions? Please call Toni if you would like a talk on the history on the Sanctuary and healing. More details in our next newsletter.

If you are stressed, unwell, need some 'me' time or simply wish to maintain good health and wellbeing, then why not let the Sanctuary help...as one of our visitor's observed: "

The Sanctuary is a balm for the soul."
